Splendours of Yunnan — 21 days

Kunming · Jianshui · Yuanyang · Jingmai · Jinghong · Dali · Shaxi · Shangri-La · Lijiang

In Kunming, the journey begins beside Green Lake. People come here to walk, play cards or listen to someone sing. A few days later, high above Yuanyang, the rice terraces give you another reason to linger. Their narrow banks follow every fold of the hillside. From the same path you can take in the sweep of an entire valley, then pick out a single plot tended by a Hani family.

Further south, a tea leaf becomes the thread of the journey. On Jingmai Mountain, ancient tea trees grow in the shade of the forest. A workshop on Mount Nannuo offers a closer look at the leaves that will eventually find their way into your cup. The route then leads through Dai villages and the tropical garden at Menglun, with a day to spend as you please in Jinghong on the Mekong.

A flight to Dali brings the mountains into view. In Xizhou, you step through the gateways of Bai courtyard houses. In Shaxi, you reach the square where caravans once halted on the old Tea Horse Road. Beyond Tiger Leaping Gorge, the road climbs to the Shangri-La highlands. The journey ends on foot, following the canals of Lijiang and exploring the Naxi villages of Baisha and Yuhu.

Travel times are approximate. The order of visits may change with market days, transport schedules and weather.

Day 1 — Arrival in Kunming

Airport or railway station → Kunming · approx. 45 min by road · 1,800 m

Allow about 45 minutes to reach the city centre. Your driver meets you at the airport or railway station and takes you to your hotel. If you arrive early enough, take a first stroll around Green Lake. Its banks are a favourite meeting place for card games, singing and tai chi. Once you have dropped off your bags, you can walk to the lake from your hotel and follow the shore for as long as you like. If you arrive late, save the walk for tomorrow morning, when people gather along the water. **Overnight at Grand Park Kunming.** *Included · Private transfer and overnight stay with breakfast.*

Day 2 — Kunming at your own pace

Kunming · day at leisure · 1,800 m

On this free day, you might leave the hotel around 9 am and walk from the lake to the temple. Spend the morning around Green Lake and at Yuantong Temple, where pavilions surround a pond. The lanes of the Bird and Flower Market are a pleasant place to wander before Dynamic Yunnan, an evening performance of music and dance from across the province. Save the market streets for the afternoon, when you can browse at your own pace. Before heading to the theatre, check the entrance and curtain time printed on your ticket. **Overnight at Grand Park Kunming.** *Included · Overnight stay with breakfast and ticket to Dynamic Yunnan.*

Day 3 — Tuanshan's courtyard houses and old Jianshui

Kunming → Tuanshan → Jianshui · approx. 4 hr by road · 1,500 m in Jianshui

A suggested 9 am start allows time for the long drive out of Kunming, which accounts for most of today's four hours on the road. Head south to Tuanshan, where carved woodwork and courtyards survive in the ancestral village of the Zhang family. Stop at the Double Dragon Bridge before reaching Jianshui to visit its Confucius Temple, a complex of gateways and pavilions around a large pond. At Tuanshan, leave the car to explore the courtyards on foot. At Double Dragon Bridge, walk down to the bank to see the arches before continuing to the old town for the final visit. **Overnight at Hanlinyuan Boutique Hotel.** *Included · Private transport, guiding, admission to Tuanshan and the Confucius Temple, overnight stay with breakfast.*

Day 4 — From the gates of Jianshui to the Yuanyang terraces

Jianshui → Yuanyang · approx. 4 hr 30 min by road · 1,800 m in the hills

Leaving around 8.30 am gives you time to explore the streets around the gate before returning to the car. Chaoyang Gate is your last stop in Jianshui. Continue into the Yuanyang hills, where generations of Hani farmers have shaped the slopes into rice terraces. Depending on the time and visibility, stop at a viewpoint for a first look at the terraces running down to the valley floor. Allow about four and a half hours on the road to the upper terraces, in addition to stops. Keep your camera handy on the last stretch, where successive bends open up different views across the slopes. **Overnight at Twelve Manor Terraces.** *Included · Private transport, guiding, scheduled sites in Jianshui and Yuanyang, overnight stay with breakfast.*

Day 5 — A day among the Hani rice terraces

Yuanyang → Shengcun → Yuanyang · approx. 2 hr on local roads, plus walking

Meet your guide around 8.30 am to choose the direction of the loop according to the market and visibility. Follow paths linking villages and running alongside the irrigation pools. If the Shengcun market is taking place, browse the stalls before lunch with a local family. In the afternoon, head for a terrace viewpoint chosen to suit the light and the condition of the trails. The two hours of driving are spread over several short transfers. On the narrow banks, walk single file and let farmers pass. Shoes with a good grip are useful when the earth is damp. **Overnight at Twelve Manor Terraces.** *Included · Private transport, guiding, lunch with a local family and overnight stay with breakfast.*

Day 6 — Towards Pu'er on the old Tea Horse Road

Yuanyang → Xinjie → Nakeli → Pu'er · approx. 6 hr by road

Have your bags ready for a suggested 8 am departure. Depending on the local calendar, there is time to browse Xinjie market before leaving the terraces. The road crosses a landscape of hills and plantations. At Nakeli, look for traces of the old Tea Horse Road once used by caravans carrying tea and other goods. Reach Pu'er towards the end of the day. The six hours quoted are driving time. If the market is on, a short morning stop leaves time for Nakeli later in the day. Get out of the car there to explore the old caravan stop on foot before the last stretch to Pu'er. **Overnight at Jiangshanlong Inn.** *Included · Private transport, guiding and overnight stay with breakfast.*

Day 7 — From Laodabao to the villages of Jingmai

Pu'er → Laodabao → Jingmai · approx. 4 hr by road

An 8.30 am start leaves time in Laodabao before the mountain drive. In the Lahu village of Laodabao, a performance is planned when local musicians are available. Continue up Jingmai Mountain, where tea gardens and villages share the same slopes. An evening at a guesthouse gives you time to taste tea grown in the area. The timing of the musical visit depends on the performers that day. At Jingmai, drop off your bags before exploring the lanes around the guesthouse on foot. The day's four hours of driving are split either side of Laodabao. Allow about an hour by car from Laodabao to Jingmai Mountain. **Overnight at Lalong Yunqi Xiaozhu.** *Included · Private transport, guiding, music performance subject to availability and overnight stay with breakfast.*

Day 8 — The ancient tea trees of Jingmai

Jingmai → Dapingzhang → Menghai · approx. 4 hr by road

Leave the guesthouse around 8.30 am to enjoy the cooler air beneath the trees. Walk through Dapingzhang among tea trees that grow beneath the forest canopy. Along the way, learn how people cultivate and process Jingmai tea. Leave the mountain for Menghai, another important centre of pu'er tea production. On the walk, compare the taller tea trees growing in the shade with the lower plantings you may have noticed from the road. Keep some water handy for this part of the morning before rejoining the car for Menghai. **Overnight at Yueting Hot Springs B&B.** *Included · Private transport, guiding and overnight stay with breakfast.*

Day 9 — Handmade paper and the tea of Nannuo

Menghai → Manzhao → Nannuo → Jinghong · approx. 3 hr by road

A suggested 8.30 am departure leaves time to watch how the fibres become a sheet of paper and how it dries on its frame in Manzhao. At Manzhao, traditional papermaking illustrates one of the ways mulberry is used in this region. On Nannuo Mountain, pass through hamlets and tea gardens before descending to Jinghong, on the Lancang, as the Mekong is known in China. Wear shoes suitable for the paths on Nannuo Mountain. The day's three hours of driving leave time to walk before you rejoin the vehicle for the descent into town. The drive down from Nannuo to Jinghong takes about 40 minutes, depending on the hamlet you leave from. **Overnight at Chufan Riverview Hotel.** *Included · Private transport, guiding and overnight stay with breakfast.*

Day 10 — Dai villages and Menglun's tropical garden

Jinghong → Ganlanba → Menglun → Jinghong · approx. 3 hr by road

Set out around 8 am to reach the villages before the hottest part of the day. On the Ganlanba plain, walk through the Dai park villages to see stilt houses and temples. Spend the rest of the day at the extensive Menglun tropical botanical garden, among collections of palms, bamboo and aquatic plants. Return to Jinghong towards the end of the day. At Menglun, choose a walking loop through the collections with your guide. The garden is too large to cover in a single afternoon. Allow roughly an hour in the car for the direct journey back from the garden to Jinghong. **Overnight at Chufan Riverview Hotel.** *Included · Private transport, guiding, admission to the Dai park and tropical garden, overnight stay with breakfast.*

Day 11 — Jinghong at your own pace

Jinghong · day at leisure with tickets included

You can start around 9 am and take a break during the hottest hours. Explore Manting Park and Jinghong's own botanical garden, or spend time along the river visiting cafés and markets. The Mengbalanaxi music and dance performance is planned for the evening, subject to the performance schedule. Today's botanical garden is the one in Jinghong itself, following yesterday's visit to Menglun. Before heading to dinner, check the performance time on your ticket and allow time to reach the venue. **Overnight at Chufan Riverview Hotel.** *Included · Tickets for Manting Park, the botanical garden and the performance, overnight stay with breakfast.*

Day 12 — From the Mekong to old Weishan

Jinghong ✈ Dali → Weishan · approx. 1 hr 10 min by air and 2 hr by road from Dali

Your hotel pick-up will depend on the flight selected. After flying to Dali, meet your team for the drive to Weishan. Its old streets lead past gate towers and small shops. If the flight timing permits, go up to Weibaoshan to visit its Taoist temples. The visit can move to the following morning. Keep your travel documents in your hand luggage. The flight takes about an hour and ten minutes, followed by roughly two hours on the road on the Dali side. On arrival, decide whether you have enough time for the mountain shrines or would enjoy them more tomorrow. **Overnight at Weishan Laoguan.** *Included · Transfers, domestic flight, guiding, admission to Weibaoshan and overnight stay with breakfast.*

Day 13 — Donglianhua, the Three Pagodas and Dali

Weishan → Donglianhua → Dali · approx. 2 hr 30 min by road · 2,000 m in Dali

Plan to leave around 8.30 am, or earlier if the Weibaoshan visit was carried over. Walk through Donglianhua, a Hui village with courtyard houses and carved gateways. In Dali, the Three Pagodas stand against the Cangshan mountains. End the day on foot in the old town, among its gates, Bai houses and workshops. At Donglianhua, leave the car to explore the narrow lanes on foot. Keep the late afternoon for Dali, where you can walk from the old town gates into the shopping streets and stop at courtyards that are open to visitors. **Overnight at Taoxi Secret Manor.** *Included · Private transport, guiding, scheduled sightseeing including the Three Pagodas, overnight stay with breakfast.*

Day 14 — A Cangshan tea workshop and the Bai houses of Xizhou

Dali → Cangshan → Xizhou · approx. 1 hr by road

Leave around 8.30 am after breakfast. At the foot of Cangshan, a workshop introduces you to tea preparation and, in season, to picking tea leaves. Visit Wuwei Temple before reaching Xizhou. Its Bai houses are built around courtyards, and paths out of the village cross farmland near Lake Erhai. The tea workshop takes up the first part of the day, with picking available in season. Short drives link the foothills, temple and Xizhou, adding up to about an hour in the car. Leave time on arrival to explore the narrow lanes on foot. **Overnight at The Linden Centre.** *Included · Private transport, guiding, tea workshop and overnight stay with breakfast.*

Day 15 — Batik, the Shibaoshan grottoes and Shaxi

Xizhou → Zhoucheng → Shibaoshan → Shaxi · approx. 2 hr 30 min by road

Leave the hotel around 8.30 am. In Zhoucheng, join a Bai dyeing workshop to see how patterns are created on fabric. Continue to Shibaoshan, where ancient carvings fill niches in the rock. Reach Shaxi's market square towards the end of the day, where tea caravans once stopped on their journeys. At the workshop, look closely at how folds and ties keep the dye out of parts of the cloth. Comfortable shoes help on the steps at the grottoes. Finish on foot in Shaxi, where the buildings around the market square show how the old caravan stop was organised. **Overnight at Shaxi Landscape Hotel.** *Included · Private transport, guiding, textile workshop, admission to Shibaoshan and overnight stay with breakfast.*

Day 16 — The First Bend of the Yangtze and Tiger Leaping Gorge

Shaxi → Shigu → Tiger Leaping Gorge → Shangri-La · approx. 4 hr 30 min by road · 3,200 m on arrival

Set off around 8 am with a warm layer within reach for your arrival at altitude. At Shigu, the Yangtze makes a sharp turn at the foot of the mountains. Follow the river on to Tiger Leaping Gorge and stop at the main visitor site to see the rapids before climbing to Shangri-La. Give yourself time to acclimatise on arrival on the plateau. At Shigu you can see the river spread across a broad valley before it narrows into the gorge. The four and a half hours of driving exclude stops. Leave the evening free to settle in at Shangri-La. **Overnight at Khimtsang Hotel.** *Included · Private transport, guiding, admission to the gorge and overnight stay with breakfast.*

Day 17 — Songzanlin, Dukezong and the heights of Shika

Shangri-La → Songzanlin → Shika · approx. 2 hr on local roads · town at 3,200 m

Around 8.30 am, check the day's conditions with your guide. Visit Songzanlin Monastery and explore the lanes of Dukezong, Shangri-La's old Tibetan quarter. If the weather, acclimatisation and cable car operations allow, head up Shika for views across the plateau and the surrounding mountain ranges. Take the steps at Songzanlin at your own pace. Allow time for an unhurried walk through Dukezong's lanes and small squares. The visits can be reordered if a clear spell makes the mountain views from Shika more promising. **Overnight at Khimtsang Hotel.** *Included · Private transport, guiding, admission to Songzanlin, the Shika cable car when operating, and overnight stay with breakfast.*

Day 18 — Nixi's potters and the Benzilan valley

Shangri-La → Nixi → Benzilan → Dongzhulin → Shangri-La · approx. 3–4 hr by road

An 8 am start is suggested for this round trip. At Nixi, learn how local black pottery is shaped by hand and fired. The road then descends towards Benzilan and the Jinsha valley. Visit Dongzhulin Monastery before returning to Shangri-La for your final night on the plateau. At Nixi, look at the shapes of the vessels and the finish of their surfaces before continuing downhill. The stop at Benzilan marks the change from plateau to river valley. Leave time after the monastery visit for the mountain drive back to Shangri-La. **Overnight at Khimtsang Hotel.** *Included · Private transport, guiding, admission to Dongzhulin and overnight stay with breakfast.*

Day 19 — Lijiang's canals and Black Dragon Pool

Shangri-La → Lijiang → Shuhe · approx. 3 hr by road · 2,400 m in Lijiang

Meet your driver around 8.30 am with your luggage for Shuhe. Descend to Lijiang to explore the canals, footbridges and courtyards of the old Naxi town. On a clear day at Black Dragon Pool, look for Jade Dragon Snow Mountain behind the pavilions. Continue to Shuhe, your base for two nights. Allow about two and a half hours to Lijiang, with the rest of the driving time for local transfers. In the old town, pick a canal and follow it on foot through the lanes before meeting the vehicle for the final leg. **Overnight at The Bivou.**

Included · Private transport, guiding, scheduled visits in Lijiang and overnight stay with breakfast.

Day 20 — Baisha and Yuhu, Naxi villages beneath the mountains

Shuhe → Baisha → Yuhu → Shuhe · approx. 1 hr 30 min to 2 hr by road

A 9 am departure leaves the morning for Baisha. Explore the lanes and embroidery workshops of Baisha, with a visit to the murals if they are open. Continue to Yuhu, known for its stone houses below Jade Dragon Snow Mountain. Back in Shuhe, spend your final evening by the canals. Continue by car to Yuhu and explore the stone lanes on foot. Bring a jacket for this stop at the foot of the mountain. The loop involves about an hour and a half to two hours of driving, excluding time spent in the villages. **Overnight at The Bivou.**

Included · Private transport, guiding, scheduled visits and overnight stay with breakfast.

Day 21 — Departure from Lijiang

Shuhe → Lijiang Airport · approx. 45 min by road

Your hotel pick-up time will be set around your flight. Depending on your departure time, take a last stroll in Shuhe. Your driver takes you to Lijiang Airport, where the tour ends. Allow about 45 minutes for the drive from Shuhe to the airport, plus time to check in. Have your passports and flight details to hand before leaving the hotel. *Included · Private transfer to Lijiang Airport.*

Your proposed hotels

20 nights in double occupancy with breakfast. Hotels are subject to availability on your chosen dates.

Kunming · Grand Park Kunming · 2 nights. Grand Park is a city hotel close to Green Lake. Its location is particularly useful for the first two nights. You can walk to the water after checking in, return in the morning to watch the lakeside activity, and find your way back easily after exploring Kunming's older neighbourhoods.

Jianshui · Hanlinyuan Boutique Hotel · 1 night. In old Jianshui, Hanlinyuan occupies a residence with rooms arranged around inner courtyards. The house serves a Chinese-style breakfast. From the shopping streets, you step into galleries facing the quieter heart of the house. The layout echoes the residences seen in Tuanshan, and a night here gives you time in the old neighbourhood after the day visitors have left.

Yuanyang · Twelve Manor Terraces · 2 nights. This lodge sits on the slopes between Jingkou and Bada, surrounded by rice terraces and close to the paths linking the villages. Some rooms look straight out over the terraces. Spending two nights here gives you time to see the same slopes in different light, as the mist lifts or reflections appear on terraces that are filled with water.

Pu'er · Jiangshanlong Inn · 1 night. Jiangshanlong Inn is an overnight stop in Pu'er, reached after the long journey from Yuanyang and the visit to Nakeli. Its comfortable rooms are in town, in the heart of Pu'er. An evening at the inn and breakfast before departure give you a break between the rice terraces and the next day's journey to Laodabao and the tea-growing slopes of Jingmai.

Jingmai · Lalong Yunqi Xiaozhu · 1 night. This guesthouse lets you spend the evening on Jingmai Mountain, among the villages and tea trees you will explore the following day. The small, simply furnished house is surrounded by tea gardens. The setting is a village rather than a town. Once you have put your bags down, take time to explore the lanes around the house and taste tea from the area.

Menghai · Yueting Hot Springs B&B · 1 night. Yueting is a guesthouse in Menghai with hot springs. Your night in the lowlands follows the forest walk on Jingmai Mountain. If you would like to use the baths, ask about opening times and access when you check in. The next morning takes you to Manzhao's paper makers and the tea gardens on Nannuo Mountain.

Jinghong · Chufan Riverview Hotel · 3 nights. Chufan stands by the Lancang, the Chinese stretch of the Mekong. Local restaurants and the night market are within easy reach. You stay three nights, leaving your bags in one place while exploring the area. The river is a handy landmark for independent walks in Jinghong, especially towards evening. You return to the same hotel after the excursion to Ganlanba and Menglun.

Weishan · Weishan Laoguan · 1 night. Laoguan is tucked among the lanes of Weishan's old town. The morning market is close to the inn. The gate towers and small shops are best explored on foot from here. Staying overnight gives you two quite different impressions of the neighbourhood, as the stalls close for the evening and as they open again before your departure for Donglianhua.

Dali · Taoxi Secret Manor · 1 night. Taoxi Secret Manor occupies a restored residence with a courtyard and garden. Wooden beams and stonework give the courtyard its local character, close to Fuxing Street. It provides somewhere to pause after visiting the Three Pagodas and the busier streets of Dali's old town. The overnight stay comes before your exploration of the Cangshan foothills and the Bai villages near Lake Erhai.

Xizhou · The Linden Centre · 1 night. This Bai residence is arranged around three courtyards. The house restaurant serves regional dishes. Its galleries, gateways and sequence of spaces give a sense of how a large Xizhou household once lived. A terrace looks out over the surrounding fields. The setting invites an evening walk through the village after exploring the Cangshan foothills.

Shaxi · Shaxi Landscape Hotel · 1 night. This courtyard inn is in old Shaxi, once a busy staging post on the Tea Horse Road. The courtyard once provided lodging for merchants travelling this route. You can explore the village on foot after visiting Shibaoshan. Return to the square in the evening or before breakfast to look at the façades and old shopfronts when the streets are quieter.

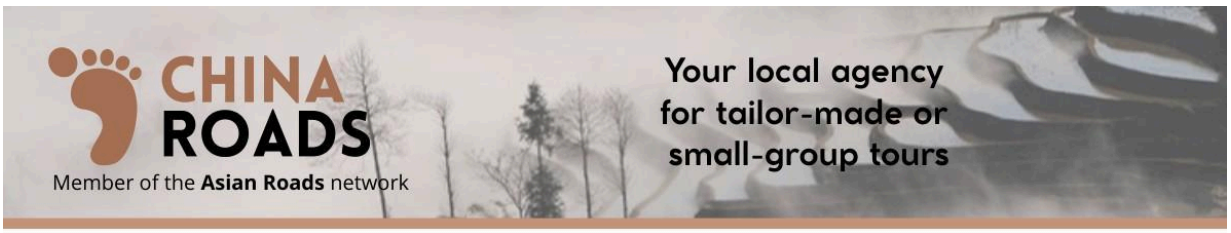

Shangri-La · Khimtsang Hotel · 3 nights. Khimtsang is a Tibetan-style hotel near Dukezong. The guest rooms are decorated in the local style. Three nights at the same address allow you to alternate excursions on the plateau with walks in the old town. The first evening is free to settle in at altitude before the days devoted to Songzanlin, Shika and the Benzilan valley.

Shuhe · The Bivou · 2 nights. The Bivou is set in a restored Naxi house in the old part of Shuhe. An inner garden anchors a design that combines Naxi influences with contemporary touches. For your last two nights, the setting brings you back to village life after visiting Lijiang. The lanes and canals are easy to explore on foot. After the excursion to Baisha and Yuhu, you return here for the final evening of the trip.
